

My Testimony

Aura Montanez

“I was very fortunate to meet Shelanda and have her as my conversation partner. Her professionalism and deep understanding of teaching inspired and encouraged me to continue studying. I can say that so far, this has been the best experience I have ever had in my English learning path. Shelanda always corrected me on the fly so I can realize my mistakes while I was talking, in addition to that, she always offered me different ways to improve. I really want to thank Shelanda for all her patience and extraordinary enjoyment of teaching English. Now, I feel more comfortable and secure when speaking English and more fluent, too.”
